## **U.S. PATENT DOCUMENTS**

| * |  | Document Number               | Date    | Name             | Classification |       |
|---|--|-------------------------------|---------|------------------|----------------|-------|
|   |  | Country Code-Number-Kind Code | MM-YYYY |                  |                |       |
| A |  | US-6,153,394                  | 09-1998 | Mansfield et al. | 435            | 7.22  |
| B |  | US-6,071,737                  | 03-1998 | Marsh et al.     | 435            | 258 1 |
| C |  | US-                           |         |                  |                |       |
| D |  | US-                           |         |                  |                |       |
| E |  | US-                           |         |                  |                |       |
| F |  | US-                           |         |                  |                |       |
| G |  | US-                           |         |                  |                |       |
| H |  | US-                           |         |                  |                |       |
| I |  | US-                           |         |                  |                |       |
| J |  | US-                           |         |                  |                |       |
| K |  | US-                           |         |                  |                |       |
| L |  | US-                           |         |                  |                |       |
| M |  | US-                           |         |                  |                |       |

## **FOREIGN PATENT DOCUMENTS**

| * |   | Document Number               | Date    | Country | Name | Classification |  |
|---|---|-------------------------------|---------|---------|------|----------------|--|
|   |   | Country Code-Number-Kind Code | MM-YYYY |         |      |                |  |
|   | N |                               |         |         |      |                |  |
|   | O |                               |         |         |      |                |  |
|   | P |                               |         |         |      |                |  |
|   | Q |                               |         |         |      |                |  |
|   | R |                               |         |         |      |                |  |
|   | S |                               |         |         |      |                |  |
|   | T |                               |         |         |      |                |  |

## **NON-PATENT DOCUMENTS**

| * |  | Include as applicable: Author, Title Date, Publisher, Edition or Volume, Pertinent Pages)  |  |  |  |  |  |
